

TUESDAY

Session 1 Opening Ceremony	Session 2A New Investment and Funding Sources (1)	Session 3A New Investment and Funding Sources (2)
10.00 - 11.30	13.30 - 15.00	15.30 - 17.00
Royal Armouries Hall	Royal Armouries Hall	Royal Armouries Hall
Chair: Christophe Nicodeme Director General, ERF	Chair: <i>Stephen Perkins</i> International Transport Forum, OECD	Chair: <i>Stephen Perkins</i> International Transport Forum, OECD
Manfred Swarovski President of the European Road Infrastructure Congress 5	Investment in Infrastructure to stimulate economic growth <i>Stephen Perkins</i> International Transport Forum, OECD 15'	What future for road investment in England post-Brexit? <i>Alexander Jan</i> Director, Arup 15'
Tom Riordan Head of Leeds City Council 15	National Road Observatory <i>Christine Leroy</i> USIRF 15'	Case Study: Using a Joined Up Investment Strategy to stimulate regions <i>David Brown</i> Chief Executive, Transport for the North 15'
Jean Todt FIA (by video) 5	Implementation of mileage charging scheme for heavy goods vehicles in Belgium <i>Christophe Speth</i> Stratec 15'	West Yorkshire Transport Fund to deliver economic growth and create jobs, plus HS2 coming to Leeds <i>Gary Bartlett</i> Chief Officer, Highways and Transportation, Leeds City Council 15'
Lee Rushbrooke Chief Executive, Colas 10	Electronic toll collection in Portugal – A guide to Europe <i>Pedro Pinto</i> Ascendi 15'	Delivery Topic TBC <i>Louise Haining</i> Colas 15'
Adrien Vijgen Attaché to the Cabinet of Maxime Prévôt 15	A transport modelling framework, Consensus Project <i>George Yannis</i> NTUA 15'	Questions and Answers for Sessions 2A and 3A Hosted by the Chair 30'
Jacobo Díaz AEC & President of the ERF 5	Topic TBC <i>Alan Mackenzie</i> Chairman, AIA 15'	
Introduction to #ERICLeeds16 Christophe Nicodeme Director General, ERF George Lee Chief Executive, RSMA 5		

Session 2B A Strategic Approach to Road Safety (1)	Session 3B A Strategic Approach to Road Safety (2)
13.30 - 15.00	15.30 - 17.00
Bury Theatre	Bury Theatre
Chair: Dave Campbell Chair of the HTMA Safety Committee	Chair: Dave Campbell Chair of the HTMA Safety Committee
Creating an effective star rating for safety on our roads <i>Stephen Stacey</i> Managing Director EuroRAP 15'	What can other jurisdictions learn from the UK's Health and Safety Framework? <i>Paul Verrico</i> Eversheds 15'
A scientific approach searching for a protocol to design and improve road safety of existing roads <i>Pasquale Colonna</i> Politecnico Bari 15'	EU Directives: Revision and Action Plan <i>Szabolcs Schmidt</i> DG Move 15'
Ensuring safer roads and mobility <i>Susanna Zammataro</i> IRF 15'	Predicting road accidents: A transferrable methodology across Europe <i>George Yannis</i> National Technical University of Athens 15'
ZACA: evolutionary approach of accident concentration zones <i>Hinko Van Geelen</i> BRRC 15'	ECORoads Project – Effective and coordinated road infrastructure safety operations <i>Adewole Adesiyun</i> Forum of European National Highway Research Laboratories (FEHRL) 15'
Low Cost Road Safety Pilot Project, Ukraine <i>Anthony Pierce</i> IRF 15'	Questions and Answers for Sessions 2B and 3B Hosted by the Chair 30'
Management of road safety upgrading plan for national and regional roads in Greece <i>Maria Atzemi</i> 15'	

Session 2C A More Durable and Resilient Network (1)	Session 3C A More Durable and Resilient Network (2)
13.30 – 15.00	15.30 – 17.00
Wellington Suite	Wellington Suite
Chair: <u>Claude Van Rooten</u> BRRC	Chair: <u>Claude Van Rooten</u> BRRC
Forever open road: Adaptable, Automated, and Resilient <u>Adewole Adesiyun</u> Forum of European National Highway Research Laboratories(FEHL)	Sustainable Infrastructure of the Future <u>Claude Van Rooten</u> BRRC
15'	15'
DVDC (Durée de vie des Chaussées/Pavement Life Cycle) <u>Eric Layerie</u> Eurovia	A resilient road network for adaptation to climate change <u>Karl Downey</u> Secretary General, EUPAVE, The European Concrete Paving Association
15'	15'
SUSTIMS – Sustainable Infrastructure Management System <u>Carlos Neves</u> Ascendi	ALTERPAVE – Use of end-of-life materials, waste and alternative binders as useful raw materials for pavements, construction and rehabilitation <u>Israel Rodriguez Fernandez,</u> Unican
15'	15'
Learning and the Way Forward Euroasphalt & Eurobitume Congress Prague 2016 <u>Carsten Karcher</u> EAPA	Long term durability of in-situ concrete barriers <u>Tony Walker</u> Deltabloc
15'	15'
GAP	Questions and Answers for Sessions 2C and 3C Hosted by the Chair
GAP	30'

Session 2D New Approaches to Road Safety Through Research & Legislation (1)	Session 3D New Approaches to Road Safety Through Research & Legislation (2)
13.30 – 15.00	15.30 – 17.00
Tower Room	Tower Room
Chair: <u>Maria Cristina Marolda</u> Policy Officer for Research and Innovation EC Directorate General for Mobility and Transport	Chair: <u>Maria Cristina Marolda</u> Policy Officer for Research and Innovation EC Directorate General for Mobility and Transport
Role of Research and Innovation <u>Gerardo Flinsch(LCE4Roads)</u> Director CSTI at the Virginia Tech Transportation Institute	Role of Research & innovation <u>Maria Cristina Marolda</u> Policy Officer for Research and Innovation EC Directorate General for Mobility and Transport
15'	15'
Two hundred and forty-four years of decision research in Leeds: is our road infrastructure any the better? <u>Alan Pearman</u> Professor of Management Decision Analysis Institute for Transport Studies, Leeds	Implementation of road works elements of European Safety Infrastructure Directive <u>Alistair De Beer</u> Senior Engineer (Roads, Tunnels and Construction Safety) Transport Infrastructure Ireland
15'	15'
Roadside hazards identification and management in Poland <u>Marcin Budzynski</u> Gdansk University	Innovative Financing for Mechanisms for Road Safety <u>Harry Evdorides</u> University of Birmingham
15'	15'
Road safety guidelines, actual road design, and road safety: a Dutch case study on rural intersections <u>Jan Henrik Van Peteghem</u> SWOV	Road infrastructure challenges in the Western Balkans: soft measures as possible solutions <u>Mate Gjorgjievski</u> Transport Policy and Law Expert South-East Europe Transport Observatory
15'	15'
Analysis of the application of risk management methodologies in construction <u>Sara Matellanes</u> University of Cantabria	Questions and Answers for Sessions 2C and 3C Hosted by the Chair
15'	30'
